NASHVILLE UNION,

Post Office Notice.

The Postmaster requests us to inform the public, that by the Regulations of the Post Office Department, under recent acts of Congress,

1. The prepayment of drop letters is no longer optional, but all such letters not prepaid by stamps, are sent promptly to the Dead Letter Office at Washington.

2. The law requiring notice to be given of unpaid letters is repealed. Postmasters are directed to return to the Dead Letter Office "all letters held for postage, or attempted to be sent with stamps previously used, or stamps cut from stamped envelopes, and unpaid letters for foreign countries on which prepayment is required."

3. Letters to which the old stamps have been affixed, and letters inclosed in envelopes bearing the old stamp, are treated like any other unpaid letters.

4. Letters from soldiers may go forward without prepayment (the postage to be collected at the office of delivery), provided that each letter shall be endorsed "Soldier's Letter," and such endorsement signed by a field or staff officer, or "at detached posts or hospitals, it may be signed by the chaplain or surgeon.' But letters to soldiers, not being from soldiers, and so endorsed, must be prepaid as other letters.

5. It is not advisable to send registered and valuable letters to soldiers in the field by mail. Every post-master is required by law to hold registered letters until they are receipted for by a person authorized to receive them. They cannot be sent out in military mails, by which soldiers usually receive their let-

6. Unpaid letters cannot be sent out in military mails, until the postage is paid at the office to which they are charged on the way-hill, unless the postmaster shall lose the postage himself. It is therefore best that all letters to soldiers should be prepaid, whether from soldiers or other persons. The number of aupaid and partially paid letters which arrive daily at the Nashville post office is too great to be turned into the military mails without payment of postage.

7. Officers who endorse " Official Business" on their letters, are informed that such endorsement does not entitle their letters to pass through the mails free of postage; and such letters cannot be transferred to the military mails without the postage being paid.
